## 1 - piece of paper

a boy, a boy. That's all they knew of him nothing else and nothing more he was abandoned like a piece of paper thrown away into garbage filled with untold stories forgotten like he felt. Then he was looking around over people's heads to see the window soon he would be in it doing something he would love he wanted battle school since his dad was told to be a warrior and died at battle some people say he was 15 small for his age and he sat down in his seat staring at his baked potatoes, turkey with stuffing and gravy "what's wrong?" Janet said while spitting food on me she loved food she wanted to be a cook always when we were 4 she made me a cake with 5 layers! and 7 layers of frosting she's a little chubby in the back but thin in the front "do you think I will make it to battle school?" she stared at me "I don't know you know my heart in cooking maybe you might" she stared at me smiling then kept on eating "HA..HAHAHA! you will never make it to battle school you know that?" I know at him angry he was buff tall and ready to go to battle school he went up and said "WIMPY WIMPY WIMPY WIMPY!!!!!" he said "I WOULDN'T BE TALKING UGLY DUCKLING!" he got mad and threw down 5 plates and sat back down "who's wimpy now" he was about to stand up but I ran to the door
