1 - kiss in the dark

KISS IN THE DARK

You look at me as though you can see through my soul with your cold eyes,
you turn out the lights, scented candles are blood red, your cruel, you tie me up,
you taste me like candy, you run your hand through my hair, a kiss in the dark.
The pain you cause me, it's your thrill, blood runs down my arm, it's like wine to you.
you tell me it's my fault, but you're the one who tied me up, you're the one who tasted me like candy, it's
all your fault, but you tell me it's my fault.
who's fault is it? not mine, it's your fault. all yours.
