Chapter 1 - Untitled	2
Chapter 2 - Untitled	3

1 - Untitled

You've got my heart attached to a string
Spin it around make it a pretty little thing
Mend all the rips, fix all the cracks
put color back into my life, instead of white and black.
Take back all the fake I love you's, take back all the lies
all of the broken promises, and all my late night cries,
Take back all my regret, Take back my broken heart
Take back everything you've ever done to tear my soul apart.
Take back all the I'm sorry's that never meant a thing
Then give me back my heart, You can keep the string.

2 - Untitled

Lock the door
Shut it tight
Go ahead and dance
in the silver moonlight
My heart is broken
but my dreams are not
But you can try to break them
take your best shot
I'm all I am
but not all I could be
I won't look back
One day you'll see
I'm not as empty
as you may think
I'm so fast you'll miss me
if you so much as blink
I know you wanna kill me
but you can't save me anyway
I'm heading for my goal
it doesn't matter what you say
My heart won't be ripped out
it will keep all its magic
In the end I'll be okay
and my story won't be so tragic
