Chapter 1 - Lonely heart

2

1 - Lonely heart

I hate the way you make me feel.

The way my heart hurts the way my cheeks get wet.

The way my head starts to hurt when i think of you together.

I feel pain i don't understand i try to feel happy for you really i do.

But i only end up in more pain some times i think of never meeting you.

But then i would be lonely again.

Some times i think of saying for you to leave me alone.

But then i would deal with heart ache weeping again.

I think the love i want to find is hiding away weeping in the shadows.

Crying alone hoping for salvation wishing like me to be saved from being alone.

But i know i'll keep crying hoping one day it will stop.

i hope that day is near to end my pain and fear.

I wrote this at 11:57pm its a little short but when i think of stuff i can add i will..... Mew =^-= Mew
