A poem about memories not as good as the others but I'm not good at short poems.

1 - Long Forgotten Memories

Long Forgotten Memories

Memories soaring all around me
Familiar smells fill the room.
A soft hand gently stroking mine
A light kiss on my cheek
So many memories overflow like a flood.

I m perplexed
In memories long forgotten
A memory
No& A dream
A dream so unattainable
A dream of those familiar feeling
A dream of freedom.
