It started like any day you know, school, family, and tests... except for today August 14 2008, Maradara finally turns 14 at last. anyway it started one... uummm let's say monday. anyway here it is...

At school

Maradara: I'm finally 14 years old, woopdido...

Maliacogirl: Hi Maradara, so I hear you're 14 now. Am I right?

Maradara: Ya, but no difference... What were we supposed to today?

maliacogirl: uummm a test I believe.

Maradara: *thinking* Aww man, I forgot to study, maybe luck is on my side...

After the tests were handed out

Lumpy: Maradara, I seen better...

Maradara: wha? *looks at test* A f? my mom is gonna kill me...

Maradara looks at Snuffles

Snuffles: Yay, a A+.

Maradara: *sigh* what did you get?

Maliacogirl: uummm B+.

Maradara: You mean I'm the only one that failed?

Maliacogirl: Don't worry, It's not the end of the world or somethin.

Maradara: yay... *Bangs head on desk*.

Lumpy: Maradara! What did I say about banging your head on your desk.

Maradara: Sorry sir. *thinking* I can't imagine what my mom will say or do...

At his house

Maradara's mom: What? Another F? that's the fourth one! You better get at least a A+ or two or I'll send

you to bootcamp or military or what ever it's called...

Maradara: Oh god, please mom. Anything but military school...

Maradara's mom: Well start doing better in school, And i'll think about it...

Will maradara fail to get a A+? Will he go to military school? Find out in chapter 2 =)
