A story in part created by other users.

So right now I don't have the information.

I DO know that people who send me ideas, their concepts will be considered.

Thanx

1 - The unknown Tacolishousness

This is a story that could be funny, romantic, crazy, or just flat out stupid.

The title doesn't really describe the story too well, I know. What I do not is what will come of it. So if you have any ideas, don't be afraid to tell me. I will just say I need a boy character, and a girl character.
