A Short Introduction Poem

This life we live each day
Loving, hating, helping, ignoring
All a game your mind will play
God sits on a drug death dealing

So dance on your throne today
Live a life of emotional masturbation
A whore of death you kneel you pray
Eating your pain for christian nation

A channel of misery whispers
Play a game with me
A channel of "Jesus Glitters"
Play another game with me

So i will take my voices visions
You judge me for hating today
I wont sell my soul to traditions
Because i am the one here to stay
