1 - Death

One by one,
We are picked off,
she decides,
who'll be next.

Live your life to its fullest,
'Cas when she is ready,
You're time is up,
She chooses your fate.

One by one,
We are picked off,
she decides,
who'll be next.

She taunts and teases,
She'll bring you down,
She doesn't care,
If you're around.

One by one,
We are picked off,
she decides,
who'll be next.

You can beg,
You can plea,
She'll just smile,
Blink of your eyes you can't see.

One by one,
We are picked off,
she decides,
who'll be next.

Don't you know?
The Goddess Of Death,
That's who we all fear,
Befriend her and you'll be gone next year.

One by one,
We are picked off,

she decides,
who'll be next.
