**Chapter 1 - Innocence**

# 1 - Innocence

Innocence is the key to life,  
Lets all go and see the light,  
Innocence is the key to life,  
Lets forget the guns and knives,  
Innocence is the key to life,  
Lets all go and see the light,  
Innocence has no boundries,  
Lets all go and see the countries,  
Life shall wait,  
In the darkness,  
Life shall wait,  
In the light,  
With your shifting sight,  
Inoccece will come through,  
We are friends, its always true,  
Innocence will be our guide,  
Trust me through, I have not lied,  
In our souls we are alive,  
Look here now, we will survive,  
Innocence will break the curse,  
Sinfullness will make it worse,  
Innocence is the key to life,  
Lets all go and see the light,  
Friendship we'll always have,  
Lets go help out the baby calfs,  
Innocence will help us through,  
Please fear not, this all is true,  
Innocence is the key to life,  
Lets all go and see the light...
