1 - Heart Break

Heart Break

I hate you cause you're the one that caused this heartbreak of mine. It feels like a million daggers had gone through my heart repeatly over and over again. I've done nothing to you to cause this. While I'm lying there broken and bleeding inside of me. You just look at me without saying and walked away. What did I do to you to cause this disputable pain. You could of look me in the eyes and said that it meant nothing at all.
