**Chapter 0 - Crypto** ..... 2

## 0 - Crypto

I run a small online business, and some of my customers prefer paying in Bitcoin. I needed a way to keep up with the current rates. That's how I found <https://quicxex.io/price/bitcoin>. The site updates prices regularly, and I never have to worry about hidden charges or delays. They also offer various benefits like bonuses on transactions. It's been a reliable tool for managing payments efficiently.
