Chapter 1 - You

2

1 - You

You

When I hear your voice,

My heart pounds against my chest.

You make me feel crazy,

Making my head spin with excitement.

Just when I thought I knew everything about you,

You surprise me.

There's so much I wanna do with you.

Holding hands seems childish,

But I'd do anything just to be by your side.

What we have is more than a fantasy.

It's beyond what words can express.

You make me feel complete.

Like a piece of me has been missing,

And you make all the pieces of the puzzle fit into place.

Now that I have you,

The rain is gone.

The sun shines on a new me.

The sweet girl hiding beneath walls,

Built to protect have fallen.

Feelings surface that have been buried for years.

My life is finally right.

Being with you is right.
