Chapter 1 - the only one left

2

1 - the only one left

I'm sitting alone

in a puddle of blood

my mum's I think...

My dad's right beside me

in spirit of course...

My brother left me for dead...

But i'm still alive.

Might as well be dead.

I'm unloved now

My family in bity peices on the floor

My room has splashes of blood on the wall...

Hope mom doesn't notice I havn't cleaned my room...

In a month...

Alone? You? Nah.

You wouldn't know alone if it came up...

and bit you in the.....

you get the idea

naruto thinks he's alone.

He's not.

He has hinata and gaara and everybody else

in the whole damned school.

wow

just sitting in blood...

and getting my bottoms wet.

Hope mom don't notice that I haven't showered...

in a week.

There goes itatchi

or...HERE HE COMES!!!

oh god...what to do.

He's right at my face...

he's coming closer...

do something!

don't just sit there!

He's...he's... kissing me.

Our lips our touching...

Hey...is that a tear?

rolling down HIS face?

"sasuke"

he whispered in my ear.

I think he licked my ear...

"I'm sorry"

Everything goes black...

lieing in mums blood

fast asleep

dreaming of my family

standing over me

Even itatchi

smiling

becoming

calling me toards the light...

I'm coming mum

I'm coming dad

Goodbye naruto

"goodbye life"

I say as the darkness envelops me whole...

never to see the light of day again.

Laying in that cold tomb

dieing...

dieing...

dead.
