Chapter 1 - Me, my friend, the pc	2
Chapter 2 - Meanwhile in the sonic world	3

1 - Me, my friend, the pc

I was pacing around the floor,
pulling my hair out,
almost screaming.

My friend runs in, "what?!!!" she yelled

I looked her straight in the eye.

I told her my problem.

"So your angry because you cannot find any proof that shadouge exists?!"

she sounded concerded with me. Like i was going mad.

"I hate 4kids I hate 4kids!" i screamed "They support knuxouge and they are complete assholes, Sega on the other hand want shadouge!" My friend

walked over to my with a sarcastic sad face. Then she put a sympathetic

hand on my shoulder, "I think your going nuts," she giggled "But i like your

loyalty to this sshadouge, whatever it is." I smiled. Forgetting that she called me nuts. Then i looked at the PC and frowned, "This has nothing on it, but fanwork" i said.

2 - Meanwhile in the sonic world

Rouge tapped the Pc two times then tilted her head, "I think these humans are nuts." She giggled "Technically their not trying hard enough about trying to find who we are with." She glanced at Shadow.
