**Chapter 1 - Sadness**

# 1 - Sadness

Tears,  
They fall,  
Leaving why to depression  
Hoping will ever see your face  
You left me standing here  
And I cry, for you,  
Wanting your embrace  
Just someone by my side  
Blurry eyes care for you  
But now you're gone  
Leaving way to my end  
Hoping now you'll live  
Is it all my fault?  
Did I do this to you?  
Cutting wrist and hopeless falls  
Your spirit barely crawls  
You tell me you loved me  
But yet all this has made you bleed.  
Tears,  
They fall for you  
Leaving way to my own death  
Your own pain will led to my demise  
And yet I cry  
wanting you,  
Needing you....  
Blood,  
It falls,  
Just for you  
And now I clench my wrist  
And scream out loud  
Wanting you.  
Needing you  
Seeing you towards the end
