1 - Karate Karrot

Karate Karrot

(We see a guy walking)

Bob: (Sigh) Yet another boring day at another boring time. Wonder what John's doing (From distance)

JOHN! JOHN O'ER ERE (Talks Gibberish)

(Whilst talking)

John: wha... who said that (Gibberish talk).. Oh, BOB!

Bob: JOHN!

John: BOB!

Bob: what's happening?

John: Oh... Bob. If i said it you'd say ``I don't believe you"

Bob: I won't unless you tell me

John: OK. This morning, i saw, a talking carrot, in a karate suit!

(Awkward silence)

Bob: Your right i don't believe you

John: That's what you said when i met the inflatable goldfish

Bob: It wasn't inflatable, it was smelling one of your farts. And anyway, that was a balloon

John: Well, this time, i didn't fart AND i can prove it.

Bob: What that you didn't fart?

(Awkward silence)

John: I can find that carrot even if it takes FOREVER!

(25 years later)

Bob: John, we've been searching ever since we were 10, we are 35. I'm surprise we last as long as we did, usually, our kind dies at 5 minutes after all those 16 Tons.

Man: What do you mean? I'm about to be 5 minutes and 10 seconds old about... n...

(Ton falls on him)

Text on screen: Remember, 16 Tons is funnier than any other amount

Bob: Look, we can't find him. Lets just leave.

John: Wait, there's a 3.2cm orange dot...

Bob: I've wondered why he's always so accurate

John: Born like it

Bob: (Giggles) You wish

(Get up close)

Bob: Your right that your right

KK: Hey kids. Wanna see my Karta?

Bob: I'll kick your vegetable potatoes down

John: Don't do it, he'll kill you then throw you.

Bob: I've seen Karate, you can't kill someone with it. What next, eat me?

John: No, he can't eat you, he's a vegetarian

KK: I'm not even that

John: I don't need this right now. He'll kill you thats about it

Bob: Oh, come on, he's as small as us when we were 2.

(KK's legs extend)

Bob: I'm sorry, i didn't see it coming

KK: HIIIIIII-EYAEYA! HOOOOO-HAA!

(Karate Karrot tries to chops Bob, fails, falls)

Bob: HA! Not a scratch on me (where he was hit, it sort of melts down) ok, now there's a inverted lump on my head (Falls down)

John: So, what happens to me?

KK: I dunno. err, wanna join up Karate?

John: SURE!

(Dark Screen)

Bob: UGGHHHH! oh, i must be drunk again. Well, time for work

(Gets up, walks on his head)

The End
