Chapter 1 - Untitled

1 - Untitled

when i look into your eyes
i see fields of green
and peaceful meadows
you warm my heart
with every breath you take
take one step away from me
and i already miss you
when we say our goodbyes
my heart breaks
take one look at me
and you've taken my breath away
at this moment
i dont have any desire
for anyone but you
i dont want to look back or look away
the smell of a beautiful beginning is in the air
i dont even have to ask
i know you feel the same way
i can feel it in your touch
and hear it in your voice
im afraid of love
but i can tell this is never ending
so God let my heart shake and tremble
let it never stray
make me so weak that i cannot stand
until i cry those happy tears
i've always wanted to cry
you're mine now
we belong together and we both know it
i know my heart could never lie
this isn't too good to be true
it's true
and it's more than "good"
even though it may be too soon
i can tell already,
we'll make this worthwhile
it's in your laugh
it's in your smile
it's written in your eyes
im your destiny
and you're mine
forget the past

because this is now
and its all i care about
our beginning of never ending happiness
TOGETHER
