My tears, They bleed

My tears, they bleed.

Through the blaring silence

Of a reapers greed;

I watched as she left.

My cries, they rip.

Lasting bits of humanity

Hang bleeding in my head;

I drown in sorrow.

My sobs, they shred.

Tattered pictures

Bleeding in my grip;

I shattered my memories.

My screams, they break.

Get rid of who I am

I'm just too weak;

I just want this to end.

My tears, they bleed.

My cries, they rip.

My sobs, they shred.

My screams, they break.

My eternal sorrow,

Caused by one single person

I barely even knew...
