0 - Geometry Dash Lite feature

Geometry Dash Lite is a popular mobile game known for its challenging gameplay and rhythmic music.
[ul]
[li]**Gameplay**: In Geometry Dash Lite, players control a square-shaped character that automatically moves forward. The objective is to navigate through various obstacles by jumping at the right time to avoid traps and hazards.[/li]
[li]**Level Design**: The game features levels with unique geometric designs and obstacles that require precise timing and coordination to complete. The difficulty increases as you progress through the levels.[/li]
[li]**Music**: One of the key features of Geometry Dash Lite is its soundtrack. Each level is accompanied by upbeat electronic music that syncs with the gameplay, adding to the overall experience.[/li]
[li]**Customization**: Players can customize their character with different colors and icons to personalize their gaming experience.[/li]
[li]**Difficulty Levels**: Geometry Dash Lite offers different difficulty levels, ranging from easy to extremely challenging. Players can test their skills and improve their reflexes as they attempt to conquer each level.[/li]
