1 - Untitled

Alone

I'm all alone

No one around

Just alone

In this cold world

Alone

In the dark

Forever

Hearing

Surrounding through and through

In a small space

Deep in the shadows

Forgotten

No one loves me

Except.....one

Gone

I've been gone

For hours

Sleeping inside my cocoon

But in another world

Someone who loves me
Stands and waits for my returning
But I don't love him back
Am I ever going to return?
I sleep safely inside myself
Hoping I will soon be taken away
But everyone seemed so happy
That I left reality
Hopefully I will be in someone's arms
In my new home
Now I feel like
I have escaped reality
With painful memories of killing and dying
I feel like I am gone

Evanescence

Evanescence
A world of many meanings
To fade away
To disappear or vanish
Many
Being alone in the dark
Fading into the shadows

Of the minds of people

Acting as though others don't EXIST

As memories disappear

The remains of people are gone

Gone forever

The Remembrance of the Dead

The dead

Another type of person

Who need to be remembered

For the special things they did

Alone

In the depths of the dirt

Rotting away

Forgotten underneath the surface

But still will be remembered

And will never be forgotten

In the minds of people

This is called

The Remembrance of the Dead
